:: TO THE GLORY OF THE GREAT ARCHITECT OF THE UNIVERSE ::

East of Brazzaville, 14 September 2018

**The Honorable MILTON FITCH
Most Worshipful Grand Master of MWPHGLNC
Durham –North Carolina- USA.**

Brother FITCH,

I pray this correspondence finds each of you abundantly blessed by the Grand Architect of the Universe.

Nature is unpredictable and fragile, we have been shocked and saddened to see from the news, Hurricane Florence lashed through the U.S. East Coast with torrential rain and devastating wind yesterday and today, millions of families across the states are still left in darkness and with no heat to protect them against the freezing cold temperature due to power and gasoline outage.

Brothers from our jurisdiction and I join all brethren of your Grand Lodge and all other Americans in expressing our deepest sympathies, brotherhood and profound condolences to the families of the victims and our heartfelt thoughts and best wishes go out to those injured.

We are confident the strength and resilience of the American people will carry your State and your country through this natural catastrophe.

May the blessings of heaven always rest upon you, and we will lift up corporate prayers for you.

Fraternally,

*Samuel Badinga
MW. Grand Master*
