

Greetings:

Thank you so much for accepting the idea of a “Cancer Memorial” fund raising in honor of the late Margaret Keys-Jones and others who have lost their battle from this dreaded disease, “CANCER”.

Unfortunately, the events planned for May 1<sup>st</sup>-3<sup>rd</sup>, 2020 have to be cancelled due to the “Coronavirus Pandemic”. As we are aware of the “NATIONAL EMERGENCY SITUATION”, it is neither advisable nor feasible to continue with the prior plans.

Some donors have already made contributions, which are very much appreciated. We are asking you continue to support this very worthwhile and needed cause, even though the prior activities have to be cancelled.

Your contributions will make a difference in “CANCER RESEARCH” which is an ongoing crisis to many. We very much appreciate receiving gifts from donors like you, this means that the work will be continued in Cancer Research for years to come.

Please make your checks payable to: “Vidant Health Foundation”, and in the memo section of the check, please write: “Vidant Cancer Care Research”, and mail to Ray C. Jones P.O. Box 181, Lewiston-Woodville, North Carolina 27849. All monies sent are tax deductible.

The presentation will be made on May 3, 2020 to Vidant Health Foundation as originally planned.

I would like to personally thank the Reverend Samuel K. Shaw III, Pastor of Mount Olive Missionary Baptist Church, Windsor North Carolina and Daniel Thompson, The Most Worshipful Grand Master of the Most Worshipful Prince Hall Grand Lodge of Free and Acceptance Masons of the Jurisdiction of North Carolina, Inc. for sharing this vision and seeing the need for continue research and offering their total support.

As before, I thank you for your participation. By working together maybe, we can find a cure for ourselves or someone that we love and we can proudly say, “I Did My Part”.

With Sincere Thanks:

*Ray C. Jones*
